# THE TRIBUNE.

THE AMERICAN ECLECTIC, July, 1812. Platt & Peters, 36

The senior Editor of this valuable work, Rev. Dr. PETERS, having accepted a Professorship in the Union Theological Seminary, in this city, the J. H. Ackew-who is to have aid in its conduct succeeding number and promises usefully to fill a department of literature hitherto generally neg lected among us. If thorough, profound criticism cannot be sustained by our own literary men there

This number of the Merchants' Magazine has

at interest, but almost exclusively for merchants and business men. Its principal articles are one A great mass of Mercantile, Commercial, Bank

eary matter and several wood cuts. It is for sale by Bradbury & Soden and King & Co.

HENRY CLAY .- Nothing could better express the united feeling of the great Whig party, or more loudly proclaim the advantage under which they will enter upon the coming Presidential contest, than the following note of lamentation from the Richmond Enquirer:

the Presidential field. The Richmond Whig pro The Wheeling Gazette flies his name at topmast-" without qualification and not us all appeal to a National Convention. Such ions of North Carolina and Georgia have the next election. A great Whig meeting was held which Clay was nominated for the Presithan 500 Feds was held in Philadelphia the 20th inst., and rallied under the name of H. held in the city of New-York. Even the Newthat he is their strong man, who keeps their strength ity together, and rouses up all their energies. n in our own ranks. Give us any honest restless and unserupulous advocate of the Hamilton Federal School

HENRY CLAY IN MARYLAND .- In speaking of States of the Union in favor of HENRY CLAY for the next President, the Baltimore American

Maryland will not be behind hand in taking her of a complete organization is becoming every day more and more apparent. The Whigs must take their ground, collect their energies, and restore order in the place of that confusion which treachery has brought into their ranks. The way then will be clear and the means available to contend for the great principles with which they are proud to be identified.

Letter from Dr. Lardner.
A meeting of the Citizens of Troy was held a few days since, which adopted a series of Resolutions highly complimentary to Dr. Dionysius Lardner, to which he returned the following reply:

BOSTON, June 36, 1842. GENTLEMEN: I have the henor to acknowledge the receipt of a series of resolutions passed by you in relation to the lectures recently delivered by

The consciousness of being useful to the People among whom I am placed, is the best reward for my labors; and the surest source of that con-I began my lectures six months ago, well know-ing that I should encounter opposition from individuals, but relying for support on the plain, practical sense of the American people. In that reli-ance I have not been disappointed. The large and enlightened population of all the principal cities North have expressed in a manner not equi-

vocal the same sentiments which you have con-While I pass through this vast country from the shores of the Atlantic to the waters of the Mississippi, and from the unequaled inland seas which mark your Northern confines to the Gulf of Mexico, collecting materials for a future literary and scientific work in reference to its active and enterprising people, its civil and political institutions, its arts and manufactures, its abundant natural resources, and the elements of future power dispersed over and buried beneath its extensive an face, I shall endeavor in return to scatter, as I go, the seeds of useful and elevating knowledge. In this course I know that I shall have general approbation and support; and you may be assured that such opponents as I have hitherto met with, tend to promote rather than obstruct my objects.

Allow me to thank you for the personal atten-tion and kindness I have received during my short visit to your city, and for the facilities you have afforded me in obtaining such local information as

I have the bonor to be, gentlemen,
Your ebrellent servant,
DION, LARDNER.
To the Honorable George R. Davis, Horato D. Williamzon, D. L. Seymour, C. 3, J. Goodrich, &c. &c.

HINT TO MUSICAL MEN .- If you would like a or two at dinner, tell your wife she is not so handsome as the lady across the way.

# Review of the New-York Market,

of our National Independence, have also combined to ren-der the market for almost all descriptions of merchandize

Neilow at 624—both measure.

Export from 1st to 30th June....Corn, 14,039 bushels.

ILEMP—All descriptions are dull, there being scarcely any inquiry from the trade.

HIDES—The only saie of consequence for some time past is that of 12,300 City Slaughter, middling weights, at the close of last week, on terms not made public.

LEAD—Missouri remains inactive, and no farther sales of Pig have come to our knowledge.

MOLASSES continues excresively dull, and no sales worth of notice have been made since our last.

NAVAL STORES—The arrivals of North County Turpentine have been large, and the article is now very inactive. We quote \$2.50 a 2.63, though without sales. Spirits Turpentine is steady at \$2 a 35c, 4 mos.

OILS—Since our last 2,000 bils. Whale have been sold for export at 32c cash. The cargo referred to in our last is still held at 33c. Holders of Linaced are very firm, and prices if any thing have an upward tendency. Joed gallons best American sold in lots at 100 a 31c cash. Of other descriptions we have heard of no sales.

PROVISIONS—Heef, Pork, and Lard remain as last no.

American sold in lots at \$10 a 81c cash. Of other descriptions we have heard of no sales.

PROVISIONS.—Beef, Pork, and Lard remain as last noticed, the two former dull, the latter selling readily for export at 6 cents for prime Western, and 7 for city rendered. In Batter there is little or nothing doing. Goost and prime Cheese is about out of first hands.

Export, from 1st to 30th June:

Reef. 2.434 barrels.
Pork 2.506 kegs.
SALT.—We have only to notice sales of 650 sacks Liverpool ground, at \$1.20 a \$5 tons of the same, in bulk, at 25c, 2 per cent, off for each; and 6,100 bashels Turks Island, on terms we did not learn.

SPIRITS—All foreign descriptions remain dull, and we have only to notice a sale of 10 half pipes Otard, Dupny & Co. Brandy, 150c, at \$1.40, 6 mos. Domestic Whiskey arrives slowly, and prices have further improved half a cent per gallon; 2 a 300 goost to choice bals Western sold Sauriagy at 17 a 15 cents, andee officing and no sales yesterday. SUGARS—All sorts remain depressed.

TOBACCO—There is nething doing in Keutneky. A parcel of 274 bales his new crop Baracoa, the first received, the characteristics of the control of the
